

FOUR GENERATIONS, ONE BANK.

“My great grandfather opened Muchowich’s first account with Texas Gulf Bank in 1935. Since then, our company’s business line has evolved three times—and every time Texas Gulf Bank has been there to support us. From equipment financing to cash management services, Texas Gulf Bank has been my family’s bank of choice for 75 years.”

– *Stacy Stanley, President,
Muchowich Offshore Oil Services*

Texas Gulf Bank is proud to help families like the Muchowich’s build legacies for future generations. We are an independent, stable, and financially secure community bank that has been prudently funding Texas businesses since 1913.

If you’re ready to build a legacy of your own, visit www.texasgulfbank.com or stop by one of our seven convenient branches today.
